BUSINESS ECONOMICS

CONTENTS

Chapter Name	Pages No.
Chapter-1: Introduction to Business Economics	15-23
1.1 Meaning and Definition of Business Economics	15
1.2 Nature of Business Economics	16
1.3 Business Economics and other Disciplines	17
1.4 The Role of Business Economist	19
1.5 Scope of Business Economics	60
1.6 Significance of Business Economics	61
Chapter-2: Introduction to Microeconomics	24-35
2.1: Meaning of Micro-Economics	24
2.2: Scope of Micro-Economics	25
2.3: Importance and Significance of Micro-Economics	27
2.4: Limitations of Micro-Economics	28
2.5: Central Economic Problem	29
2.6: Factors Responsible for Economic Problems	30
2.7: Relation between Scarcity and Choice	30
2.8: Production Possibility Curve (Production Possibility Frontier)	31
2.8.1: Resource Unemployment and Economic Inefficiency	33
2.8.2: Economic Growth and PPC	34
2.8.3: Opportunity Cost and PPC	34
Chapter-3: Introduction to Macro Economics	36-44
3.1 Introduction	36
3.2 Macroeconomic Schools of Thought	38
3.3 Nature of Macro Economics	39
3.4 Scope and Importance	40
3.5 Difference between Micro and Macro Economics	41
3.6 Macroeconomic Objectives and Instruments	42
Chapter-4 : Price Mechanism	45-55
4.1 Concept of Price-mechanism and Significance	45
4.1.1 Limitations of Price-mechanism	46
4.2 Equilibrium Analysis	47
4.2.1 Stable, Unstable and Neutral Equilibrium	47
4.2.2 Static, Comparative Static and Dynamic Equilibrium	50
4.2.3 Differences between Static and Dynamic Economics	55

Chapter-5 : Demand Analysis	56-87
5.1: Meaning of Demand	56
5.2: Factors Affecting Demand for a Commodity	56
5.3: An Individual Demand Schedule and Demand Curve	58
5.4: Market Demand Schedule and Demand Curve	58
5.5: Demand Function	60
5.6: The Law of Demand	61
5.7: Causes of Downward Slopping Demand Curve	67
5.8: Exceptionalities of Law of Demand	67
5.9: Dynamic Changes of Demand	65
5.10: Responsible Factors of Change in Demand	67
5.11: Elasticity of Demand	68
5.11.1 Price Elasticity to Demand	68
5.11.2 Income Elasticity of Demand	74
5.11.3 Cross Elasticity of Demand	75
5.11.4 Advertisement Elasticity of Demand	77
5.11.5 Significance of Elasticity of Demand	79
5.11.6 Elasticity and forecasting	80
5.11.7 Consumer's Surplus	81
5.12 Derivation of Individual Demand Curve from Demand Function	84
Chapter-6 : Supply Analysis	88-101
6.1: Meaning of Supply	88
6.2: Supply Function	88
6.3: Factors Affecting the Supply of a Commodity	90
6.4: Law of Supply	91
6.5: Exceptionalities of the Law of Supply leg	94
6.6: Elasticity of Supply	94
6.6.1: Degrees of Elasticity of Supply	95
6.6.2: Measurement of Elasticity of Supply through Geometric (Point) Metho	d 97
6.6.3: Measuring Elasticity of Supply in Non-linear Curve	98
6.7: Expansion and Contraction of Supply	99
6.8: Increase and Decrease in Supply	100
Chapter-7 : Consumer Behaviour 1	02-143
7.1 Introduction	102
7.2 Consumer Preference	102
7.3 Consumer Choice	103
7.4 Utility Analysis	103
7.4.1 Basic Approaches of Utility Analysis	104
7.4.2 Utility Function	104
7.4.3 Concepts of Utility	105
7.4.4 Basic Assumptions of Marginal Utility Analysis	106
7.4.5 Law of Diminishing Marginal Utility	107
7.4.6 Law of Equi-Marginal Utility	108

	7.5 Shortcomings of the Marginal Utility Analysis	111
	7.6 Budget Constraint or Budget Line	112
	7.6.1 Slope of Budget Line	113
	7.6.2 Changes in Budget Line	114
	7.7 Indifference Curve Analysis or Ordinal Utility Analysis	116
	7.7.1 Assumptions (Pre-Conditions or Pre-requisites) of Indifference Curve	117
	7.8 Measurement of DMRS (Diminishing Marginal Rate of Substitution)	118
	7.8.1 Measurement of MRS through Tangent Line or	
	Measurement of MRS Through each Point	119
	7.9 Indifference Map	120
	7.10 Properties of Indifference Curve	120
	7.11 Exceptionalities of Indifference Curve Analysis	123
	7.12 Consumer's Equuilibrium with the help of Marginal Utility (Cardinal Utility)	124
	7.13 Consumer's Equilibrium with the help of Indifference Curve	126
	• ,	128
	7.14.1 Derivation of Slope of ICC in Case of Inferior Good	
	or Backward Bending ICC	128
	7.15 Price Effect and its Derivation in Case of Normal Goods	129
	7.15.1 PCC in Case of More Elastic Demand or Downward	
	Sloping Shape of PCC	130
	7.15.2 Derivation of PCC in case of 'Giffen Goods' or Backward Bending PCC	130
	7.16 Superiority of Indifference Curve Technique Over Utility Analysis	131
	7.17 Criticisms of Indifference Curve Analysis	134
	7.18 Some Applications of Indifference Curve Analysis	134
	7.19 Engel Law	137
	7.19.1 Engel Curve in Case of Luxury Goods	138
	7.19.2 Engel Curve in Case of Inferior Goods	139
	7.19.3 Vertical Engel Curve	139
Chap	ter-8 : Theory of Production 144	1-163
	8.1 Production Function	144
	8.2 Concepts of Production	145
	8.3 Law of Variable Proportion/Returns to a Factor Theory of	
	Production/Short-run Theory of Production	145
	8.4 Production Function with Two Variable Inputs/Isoquant/ Equal Product Curve	
	8.5 Marginal Rate of Technical Substitution (MRTS)/Slope of Isoquant	149
	8.6 Properties of Isoquant	150
	8.7 Iso-Cost Curve	152
	8.8 Least-Cost Combination of Factors/Optimum Combinations of	
	Factors/ Producer.s Equilibrium	153
	8.9 Elasticity of Technical Substitution/Elasticity of Substitution Between Factors	154
	8.10 Expansion Path	155
	8.11 Homogeneous Production Function	156
	8.12 Returns to Scale Theory of Production/Long run Theory of Production	156

8.12.1 Responsible Factors/Causes of Returns to Scale	158
8.13 Drivation of Production Prossibility Curve from Contract Curve	159
Chapter-9: The Nature of Cost and Cost Curves	164-179
9.1 Cost of Production	164
9.2 Different Concepts of Costs	164
9.2.1 Differences Between Explicit Costs and Implicit Costs	166
9.3 Short run Traditional Theory of Costs and use of Derivatives	166
9.4 Short-run Traditional Theory of Average and Marginal Costs	167
9.4.1 Relationship Between Average Cost, Average Variable Cost and	
Average Fixed Cost	169
9.5 Derivation of Long-run Average Cost Curve/Derivation of Envelop Curve	169
9.6 Derivation of Long-run Marginal Cost Curve	170
9.7 Economies and Diseconomies of Scale	171
9.8 Details Analysis of Economies and Diseconomies of Scale	172
9.8.1 Meaning	172
9.8.2 Economies of Large Scale Production	172
9.9 Internal and External Diseconomies	176
Chapter-10 : Market Structure	180-193
10.1: Market and Different Types	180
10.2: Differences between Firm and Industry	182
10.3: Determination of Equilibrium Price by the Industry under Perfect Competiti	
10.4: Under Perfect Competition Price Equals to AR = MR	183
10.5: Determination of Equilibrium Condition under Perfect and	
Imperfect Competition	183
10.6: Determination of Market Price	184
10.7: Determination of Equilibrium Quantity for Firm in Short-run	186
10.8: Determination of Equilibrium Price and Output under Perfect	
Competition in the Long-run	187
10.9: Condition of Shutdown Point	187
10.10: Differences between Market Price and Normal Price	188
10.11: Derivation of Short-run Supply Curve of a Firm under Perfect Competition	
10.12: Derivation of Short-run Supply Curve of an Industry	189
10.13: Derivation of Long-run Supply Curve of an Industry under Increasing	100
Cost Condition	190
10.14: Long-run Supply Curve in Case of Decreasing Cost Industry	191
	194-212
11.1 Introduction	194
11.2 Features of Monopoly	194
11.3 Differences between Perfect Competition and Monopoly	196
11.4 Price-Output Determination under Monopoly	197
11.5 Price-Output Determination in the Long Period :	199
11.6 Monopoly and Welfare	200

12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market			
11.8 Measurement of Monopoly Power 11.9 Price Discrimination 11.9.1 Essential Conditions for Price Discrimination 11.9.2 Degrees of Price Discrimination 11.9.3 How far is Price Discrimination Desirable or Beneficial? 11.9.4 Price-Output Determination under Discriminating Monopoly 11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity Theory of Distribution 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market		11.7 Monopoly and Supply Curve	200
11.9 Price Discrimination 11.9.1 Essential Conditions for Price Discrimination 11.9.2 Degrees of Price Discrimination 11.9.3 How far is Price Discrimination Desirable or Beneficial? 11.9.4 Price-Output Determination under Discriminating Monopoly 11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.5 Selling Cost 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23. 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity Theory of Distribution 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market			200
11.9.2 Degrees of Price Discrimination 11.9.3 How far is Price Discrimination Desirable or Beneficial? 11.9.4 Price-Output Determination under Discriminating Monopoly 11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market	1		202
11.9.3 How far is Price Discrimination Desirable or Beneficial? 11.9.4 Price-Output Determination under Discriminating Monopoly 11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market		11.9.1 Essential Conditions for Price Discrimination	202
11.9.3 How far is Price Discrimination Desirable or Beneficial? 11.9.4 Price-Output Determination under Discriminating Monopoly 11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market		11.9.2 Degrees of Price Discrimination	202
11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Monopoly in the Product Market			203
11.10 The Multi Plant Firm 11.11 Peak-Load Pricing 11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Monopoly in the Product Market		11.9.4 Price-Output Determination under Discriminating Monopoly	204
11.12 Monopoly and Anti-Trust Policy Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23. 4.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity Theory of Distribution 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market			207
Chapter-12: Monopolistic Competition 12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23. 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market		11.11 Peak-Load Pricing	207
12.1 Definition of Monopolistic Competition 12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market		11.12 Monopoly and Anti-Trust Policy	208
12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market	Chapte	er-12: Monopolistic Competition	213-223
12.2 Short-Term Equilibrium of the Firm under Monopolistic Competition 12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23: 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market	-	12.1 Definition of Monopolistic Competition	213
12.3 Long-Term Equilibrium of the Firm under Monopolistic Competition 12.4 More Elastic demand Curve under Monopolistic Competition 12.5 Selling Cost 12.5.1 The Effect of Selling Costs 12.6 Excess Capacity under Monopolistic Competition Chapter-13: Oligopoly 22. 13.1 Definition of Oligopoly 13.2 Kinky Demand Curve 13.3 Price Leadership 13.4 Derivation of Reaction Curve 13.5 Cournot's Duopoly Model 13.6 Stackelberg's Duopoly Model 13.6 Stackelberg's Duopoly Model Chapter-14: Theory of Factor Pricing 23. 14.1 Personal and Functional Distribution 14.2 Marginal Productivity Theory of Factor Pricing of Clark 14.3 Marshall-Hicks Marginal Productivity Theory of Distribution 14.4 Concepts of Factor Productivity and Factor Cost 14.4.1 Factor Productivity 14.4.2 Factor Cost 14.5 Derivation of Demand Curve for a Single Variable Factor 14.6 Backward Bending Bupply of Labour Curve 14.7 Wage Determination under Perfectly Competitive Labour Market and Imperfectly Competitive Product Market 14.8 Wage Determination under Monopsony in Labour Market and Perfect Competition in Product Market 14.9 Determination of Wage-rate under Monopsony in the Labour Market and Monopoly in the Product Market	l		214

Chapter-17: Business Cycles	293-300
17.1 Introduction	293
17.2 Tyoes of Cycles	294
17.3 Characteristics of Business Cycles	294
17.4 Stages or Phases of the Business Cycle	295
17.5 Causes or Factors Responsible of Business Cycles	297
Chapter-18 : International Trade	301-312
18.1 Introduction	301
18.2 Differences Between Internal Trade and International Trade	301
18.3 Theory of International Trade	302
18.3.1 Absolute Cost Theory	302
18.3.2 Comparative Cost Advantage Theory	303
18.3.3 Modern Theory of International Trade	305
18.3.4 Superiority of Modern Theory Over Classical Theory	309
18.3.5 Advantages of International Trade	309
18.3.6 Disadvantages of International Trade	310
